

Safe Places SEND education materials support the following National Curriculum Programmes of Study:

Geography Key Stage One

Use simple compass directions (north, south, east and west) and locational and directional language [for example, near and far, left and right], to describe the location of features and routes on a map.

Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key.

Geography Key Stage Two

Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.

Use the 8 points of a compass, 4- and 6-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world.

Use fieldwork to observe, measure record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.

Speaking and Listening

Listen and respond appropriately to adults and their peers

Ask relevant questions to extend their understanding and knowledge

Maintain attention and participate actively in collaborative conversations, staying on topic and initiating and responding to comments

Gain, maintain and monitor the interest of the listener(s)

Mathematics

Describe position, direction and movement, including whole, half, quarter and three-quarter turns

Pupils use the language of position, direction and motion, including: left and right, top, middle and bottom, on top of, in front of, above, between, around, near, close and far, up and down, forwards and backwards, inside and outside.
